GETTING STARTED

Insert the Battery

Insert the battery with the contacts down and the latch toward the device main connector. Then press the battery into the device until the battery latch engages automatically:

Charge the Battery

With Single Slot Dock*

CAUTION

Do not use the Falcon X3 until batteries are charged for minimum 4 hours.

* The power supply for the Single Slot Dock is included in the Single Slot Dock box (P/N 94A151125)

SYNCHRONISE YOUR DEVICE WITH THE PC

Windows Mobile Device Center is only compatible with Windows Vista and Windows 7; if you run Windows XP or earlier, you have to download Microsoft ActiveSync.

You can establish a connection to your Falcon X3 through the following interfaces:

- USB either directly or through the Single Dock
- RS232 either directly or through the Single Dock
- Bluetooth®

To establish a partnership between the Falcon X3 and a host PC, start Windows Mobile® Device Center and follow the steps below:

1. Connect the Falcon X3 to the host PC. Windows Mobile® Device Center configures itself and then opens.
2. On the license agreement screen, click Accept.
3. On the Windows Mobile Device Center's Home screen, click Set up your device.
4. Select the information types that you want to synchronize, then click Next.
5. Enter a device name and click Set Up.

When you finish the setup wizard, Windows Mobile Device Center synchronizes the mobile computer automatically. Microsoft® Office Outlook® emails and other information will appear on your device after synchronization.

Communicate with Host

DATA CAPTURE
